प्रेस विज्ञप्ति/ **PRESS RELEASE**   **01.02.2017**

INDIAN BANK UNVEILS CUSTOMER & CORPORATE FRIENDLY TECH PRODUCTS

Indian Bank has launched three unique, cash-free, easy-to-use, environment friendly, Tech products to strengthen the hands of the Customers as well as the corporates. Employees of the Indian Bank introduced the new Tech products in the Presence of Shri. Mahesh Kumar Jain, MD&CEO and Shri. A. S. Rajeev, Executive Director in a grand function organized at its Corporate Office on 1st February 2017.

Indian bank, as part of its ambitious plans for the cashless economy, is introducing many Techno products every month and enable the customers to do transactions without visiting the Branches.

List of Three New Technology Products :

1. **Tamil Nadu Electricity Board Bill payments in "IB Customer Mobile App"**

TNEB bills are either paid at the EB Counters or through Net Banking. With introduction of this new facility in Mobile App - IB Customer, Indian Bank customers can enquire their bill details and pay at their fingertips.

2. **Indian Bank payment gateway for Non Tax Receipt Portal**

Indian Bank is the only South Based Bank to provide **Payment gateway for NTRP** (Non Tax Receipt Portal). NTRP is an online payment portal provided by Government of India to enable individuals / Corporate to pay Non Tax Revenue payable to the Government. With this service offered by Indian Bank, customers of any Bank can make payment using their Net Banking or Debit Card or Credit Card.

3. **Employees Provident Fund Collections through Indian Bank**

Indian Bank is the only South Based Bank to provide facility for Employers to remit PF subscription recovered from their employees to **EPFO.** With this service offered by Indian Bank, Customers can make payment using Net banking facility with maker – checker facility.
