

Indian Bank Celebrates International Women's Day 2025, Honouring Women Achievers

Chennai, March 10, 2025 – Indian Bank commemorated International Women's Day 2025 with a series of events celebrating the strength, resilience, and achievements of women. The celebration was attended by Shri Binod Kumar, MD & CEO, along with Executive Directors.

A special webinar on “Work Life Balance for a Woman and a Counterpoint” was hosted by the Bank, wherein Justice Prabha Sridevan (Retd) addressed the key issues faced by women in the society.

To empower women, under its Corporate Social Responsibility (CSR) initiatives, Bank provided aids and appliances to physically challenged women and girl beneficiaries from Akshaya Trust, Chennai.

As part of the celebrations, Indian Bank also felicitated two eminent women in the field of mental health, Dr. Thara Rangaswamy, Co-Founder of SCARF and Dr. Lakshmi Vijayakumar, Founder of SNEHA, for their outstanding contributions. Dr. Thara Rangaswamy has shed light on the impact of social media in our daily lives. Dr. Lakshmi Vijayakumar stressed that motivating the younger generation is the key to develop healthy young minds.

Indoor and outdoor sports activities were organized engaging employees in a spirit of camaraderie and teamwork. With these celebrations, Indian Bank continues to champion gender equality and empowerment, ensuring that women remain at the forefront of progress in both professional and societal spheres.
