

Indian Bank Partners with Aparajitha Foundation to Empower Youth through Life Skills Education

Chennai, 16th August 2024: Indian Bank signed MoA with the Aparajitha Foundations, the CSR arm of Aparajitha Corporate Services, to support transformative life skills education programs for students across India. The foundation's initiatives such as 'AlcheMe' for primary students and 'Tim Tim Tare'(TTT) for adolescents, are aimed at fostering essential social and emotional skills.

These programs are specially tailored to help students transition successfully into adulthood, encouraging independence, responsible citizenship, and high self-esteem. Last year, Indian Bank partnered with Aparajitha Foundations for implementing the 'Tim Tim Tare'(TTT) project across 3 states including Haryana, Uttar Pradesh and Uttarakhand benefitting numerous students.

Building on the success, this year also, the Bank continued to support the programme by sponsoring resource cost for 15 head counts in 10 states for a period of 9 months. By investing in comprehensive youth development, Indian Bank aims to contribute significantly to the well-being of families and communities, empowering students to make informed choices and thrive in their future endeavours.
