1.	Page # 10, Clause # 13	ELIGIBILITY CRITERIA	The Annual turnover should be more than Rs. 10 crores for each of the last three financial years. (2016-17, 2017-18, 2018-19)	The Annual turnover should be more than Rs. 5 crores for each of the last three financial years. (2016-17, 2017-18, 2018-19) Or Bidders who are registered as MSME units with NSIC and have a valid NSIC certificate, Bank may at its own discretion relax the provisions of turnover clause. This relaxation will be subject to compliance of the bid with all the other terms and conditions of this RFP, bidder's profile evaluation through client references and Technical evaluation of the proposed model of the Solution/Hardware.	Please refer to point no. 1 of Amendment Corrigendum.
2.	Page # 11, Clause # 13	ELIGIBILITY CRITERIA	The bidder should be an Authorized reseller of Microsoft licenses	Bidder will front end both License procurement and implementation as per the RFP requirements, but on the license procurement to have a competitive pricing bidder would like to involve a LSP partner by doing this we can bring down the commercials considerably. Currently we work on this model with multiple customers across the globe. In this model the license certificate will be issues by the LSP partner (whom bidder will work with and have partnership with) but still it will be owned and invoiced by bidder. Bidder will take 100% ownership & responsibility.	The same is accepted. However, it is clarified that the licenses certificate is to be issued in the name of the Bank and invoicing to be done by the bidder only.
3.	Page # 11, Clause # 13	ELIGIBILITY CRITERIA	The Bidder Should be Net profit earning organization in each of the last three financial years	Requesting the bank to consider, net profit for last 2 years out of 3 years.	Please refer to point no. 2 of Amendment Corrigendum.
4.	NA	NA	NA	Dashboard - What type of Dashboard ? What are the KPIs	Development of dashboards is not in the scope of RFP.
