THIS AGREEMENT, made at _____ on _____ day of _____, 20__ Between INDIAN BANK, a body corporate constituted under Banking Companies (Acquisition and Transfer of undertakings) Act, 1970, having its INDIAN BANK, **Zonal office, Variety hall road, Coimbatore - 641001** (hereinafter called "The Purchaser"), which term or expression unless excluded by or repugnant to the context or the meaning thereof, shall be deemed to include its successors and assignees of the First Part

AND

M/s. _____, A COMPANY INCORPORATED UNDER THE Companies Act, 1956 having its Registered Office at _____ hereinafter called "The Supplier", which terms or expression unless excluded or repugnant to the context or the meaning thereof shall mean and include its successors and assignee of the Second Part.

The Supplier has agreed to provide and the Purchaser has agreed to accept from the supplier, repair and maintenance service for the Note Sorting Machine (hereinafter called Equipment) listed in Annexure hereto as amended from time to time, subject to the Purchaser paying charges to the company on the following terms and conditions:

In consideration of the premises it is agreed between the parties as follows:

1. COMMENCEMENT AND TERMS:

1.1 This agreement is effective and valid for one year from _____ to _____. It shall however be renewable every year, for a minimum period of five years.

2. CHARGES:

2.1 The charges payable by the Purchaser to the Supplier for the AMC described herein will be AMC quoted by the Supplier in its bid in response to the Request for Proposal and no additional charges whatsoever should be claimed by the Supplier. These charges shall remain fixed for a period of five years from the expiry of the warranty period. The charges are payable by the Bank after deduction of tax at source (TDS) as per relevant provisions of Finance Act from time to time.

2.2 On submission of invoices by the Supplier for payment due in accordance with this agreement accompanied by all the requisite papers 50% of the AMC will be paid after 6 months of commencement of AMC and remaining 50% will be paid after completion of the year. Likewise the payment will be released six monthly for the period of five years of AMC subject to the Supplier's satisfactory report(s) from the end users and raising of the invoice.

2.3 The Supplier is required to maintain a service roster with provision for signature of the user to submit subsequently with the payment invoice.

2.4 The Supplier is required to submit satisfactory service support report from the end user along with the payment bill as said herein above.

3. REPAIR AND MAINTENANCE SERVICE:

3.1 During the terms of this agreement the Supplier agrees to maintain the equipment in perfect working order and condition and for this purpose will provide the repairs and maintenance service.

3.2 The Supplier shall rectify any defects, faults and failures in the equipment and shall repair and replace worn out defective parts of the equipment during bank's normal local working hours onsite. In cases where unserviceable parts of the equipment need replacement, the Supplier shall replace such part(s) with brand new parts or those equivalent to new parts in performance at free of cost and no other cost will be charged to the Purchaser what so ever.

3.3 The Supplier agrees that special arrangements may be made by the Purchaser to have such maintenance service provided any time after business hours in urgent situation for which no additional cost shall be paid.

3.4 The Supplier shall provide repair and maintenance service in response to written/email notice by Bank within 2 days in metros, 3 days in urban, 5 days in semi-urban & rural areas and 10 days in island branches.

3.5 If the machine cannot be made serviceable either by repair or by replacement and put back the system into regular operation within 2 days in metros, 3 days in urban, 5 days in semi-urban & rural and 10 days in island branches, on account of any breakdown due to machine failures/repairs/settings, a similar stand-by machine in good working condition shall be provided at the cost of the vendor failing which a penalty at the rate of `1000/- (Rupees one thousand only) per day for the first 10 days and `5000/- (Rupees five thousand only) per day beyond 10 days for HDNSMs as well as DTNSM will be imposed and deducted from any payment due to the supplier or from the Security Deposit or by revoking the Performance Guarantee.

3.6 The Supplier shall bear the transportation and other costs in this regard for shifting, repairing and replacing.

3.7 The Supplier shall ensure that the full configuration of the Equipment is available to the Purchaser in proper working condition on each working day.

3.8 All repair and maintenance service described herein shall be performed by qualified engineers totally familiar with the equipment and having relevant technical knowhow with proper ID-Card issued by company.

3.9 Any worn/defective parts withdrawn from the equipment replaced by the Supplier shall become the property of the Supplier and the parts replacing the withdrawn parts shall become the property of the Purchaser.

3.10 The Purchaser shall arrange to maintain appropriate environmental conditions, such as those relating to space, temperature, power supply, dust within the acceptable limits required for the equipment similar to that covered by this agreement.

PREVENTIVE MAINTENANCE

3.11 The Supplier shall conduct preventive maintenance (that will incorporate inspection, testing satisfactory execution of all diagnostics, cleaning and removal of dust and dirt from the interior and exterior of the equipment and necessary repairing of the equipment) once at least in **every 30 days**, in addition to the required repair/ maintenance during the period of this agreement, on any day and at a time to be mutually agreed upon. The Supplier shall maintain a record of such preventive maintenance and obtain the signature of the concerned Officer of the Purchaser on its preventive maintenance report. (This report can also be a part of normal log book but to be maintained separately). Notwithstanding the foregoing, the Supplier recognizes the Purchaser's operational needs and agrees that the Purchaser shall have the right to require the supplier to adjourn Preventive Maintenance from any scheduled time to a date and time, not later than fifteen working days thereafter.

3.12 The Supplier shall maintain at the Purchaser's site a written maintenance and repair log book, and shall record therein each incident of equipment malfunction, date and time of commencement and successful completion of repair work and nature of repair work performed. The copy of this logbook should be submitted with the payment bill/invoice to be submitted by the Supplier for payment of AMC Charges.

3.13 The Supplier's maintenance personnel shall be given access to the equipment when necessary for the repair and maintenance service indicated in this agreement.

3.14 If the Purchaser desires to shift the equipment to a new site and install it there at urgently, the

company shall be informed of the same. The Purchaser shall bear the transport charges for such shifting and reinstallation would continue to be binding upon the Supplier. The Purchaser will pay the reinstallation charges of the machine.
