--	---

- Apart from the periodic preventive maintenance visits, all breakdown calls on the systems covered under AMC and reported to the respective numeric branches emanating from the user should be attended to.
- During the preventive maintenance check-ups, the UPS system should **be cleaned, distilled water to be filled and general performance should be checked.**
- **Batteries to be maintained and distilled water to be filled whenever branches report that the level of the distilled water is low.**
- Cost of all spares that are replaced in the UPS systems will be covered under this comprehensive annual maintenance scheme except 1. Missing/stolen parts in the UPS and DC Backup source.2. Replacement of Batteries 3. Shifting of UPS and accessories 4.Repairs and replacement to DC Backup
- Service calls should be attended within 2 hours and maximum 12 hours of making the complaint and to the full satisfaction of the branches. Penalty of Rs 500/- per day and max of Rs 1000/- will be levied per case/complaint for delay over the above 1 working day.
- Escalation matrix should be shared with the branches and all the service calls from the branches to be acknowledged duly by giving reference or call log number. The service calls from branches should be attended and closed promptly.
- If working condition of UPS is not ensured within same day, standby UPS should be supplied and installed.
- Complete inventory maintenance and submit the updated list within 15 days of award of AMC.
- **Terms of payment:** at the end of 6 months on submission of invoices with copies of service call/PM report attached.
- Whenever UPS is replaced, the UPS will be under warranty period and will not be covered in AMC till warranty period.
- If the services are not satisfactory the contract can be terminated without assigning any reasons after serving notice.
