FORM OF TENDER

To,
DEPUTY ZONAL MANAGER
INDIAN BANK, NAGAPATINAM ZONE
NO. 28, 1ST FLOOR, PERUMAL KOIL STREET,
NAGAPATTINAM – 611001

Dear Sir,

With reference to the tender invited by you on behalf of **INDIAN BANK NAGAPATINAM ZONE FOR AIR-CONDITION WORK** to be carried out for your branches as per Annexure- A.

I/ We, the undersigned hereby undertake to execute the work under the contract at the rates quoted by me /us in the schedule of quantities and rates and on the condition of contract with this tender.

I/We have carefully studied and understood the drawings, conditions of contract, specifications, schedule of works and have acquainted myself/ ourselves with the site conditions.

I/We agree to complete the works within 30 Days after receiving the work order in conformity with the said conditions of contract, specifications, Schedule of quantities and rates. I/ We enclosed herewith earnest money deposit Rs.10000/- In Words (Rupees Ten Thousand Only) in the manner as prescribed or MSME registration certificate. The said sum shall not bear any interest and Bank only keep 5% of contract value less EMD to make a total of 5% of the tender amount as Security Deposit for the faithful performance of the contract, or to commence the work being called upon to do so. The amount of total 05% (Five Percent) of the total bill of work done shall remain with bank till defects liability period is over and the said amount shall bear no interest.

It is understood by me/us that the lowest or any tender will not necessarily be accepted.

Yours faithfully,

Signature of contractor

SECTION - I

CONDITIONS OF CONTRACT

1. Tenderers shall sign wherever provided for and all pages of the tender. Tenders not so signed shall be rejected. The tenders shall be submitted in sealed envelope in the office of **The Deputy Zonal Manager**, No. 28, 1st Floor, Perumal Koil Street, Nagapattinam - 611001 . **Tender will be Issued on 05/06/2023 and need to submit on before 14 / 06/ 2023 at 1.00 pm.**
2. No Tender shall be accepted unless the full amount of Earnest Money Deposit is paid by Demand Draft of appropriate amount mentioned at the time of submitting the tender or enclosing MSME registration certificate.
3. Fluctuations in the prices of any materials or equipment or labour etc; shall not be taken into account either for compensation for damages or for extras. The validity of the tender shall be 90 days for acceptance.
4. Watch and ward in respect of all plants, machinery and materials at site for use in work shall be the contractor's sole responsibility.
5. The contractor shall have to make his own arrangements to house his labour and staff, and for their services.
6. All instructions regarding the execution of the work shall be received from the Bank only. Any other instruction issued directly to the contractor by anyone else shall not be binding on the bank.
7. The contractor shall be responsible for all the errors and will have to rectify all defects at his own cost, failing which the bank reserves all the rights to get the same rectified at the risk and the cost of the contractor.
8. The contractor entrusted with the work shall indemnify the Bank against theft, mishaps in contract and injury to workmen, damage to persons, property etc. He shall make good the damage at his own expenses.
9. The Bank shall have the power to omit or cancel; any item of work without assigning any reason whatsoever and no claim for compensation for damage will be entertained for such omissions and cancellations.
10. Time is the essence of the work. The work order will be issued for each site as and when site is made ready. All the works shall have to be completed within 30 Days from the date of work order (Appendix –A). If the work is not completed within the aforesaid period, the contractor shall pay the bank or the bank shall be entitled to deduct from the payment due to the said contractor the sum of ½% of contract value per week of delay or part thereof, subject to a maximum limit of 5% of the contract amount.
11. The contractor shall maintain satisfactory progress of work as well as maintain a desired of workmanship. If the progress is unsatisfactory and /or the workmanship is unsatisfactory, the bank shall take possession of work by giving Seven days' notice to that effect. The bank shall then complete the entire work and rectify all the defects at the contractors cost and consequences.

12. In case the Bank is not satisfied with the quality of materials used by the contractors they reserve the right to direct the contractor to procure such supplies from agencies they deem fit.
13. It is agreed that if the works are delayed (1) by force-majeure or (2) by reasons of any damage by exceptionally inclement weather or (3) by reasons of loss or any damage by extensive fire not caused by an act or a default on the part of the contractor, by earthquake or civil commotion, strikes or lockouts affecting any of reasonable extension of completion of works. Upon the happening of any such event, causing delay, the contractor shall immediately give notice thereof in writing to the bank and the bank in all such eventualities agrees, without accepting any contractual obligations in this behalf, to assist the contractor to the utmost extent possible to meet the situation. If no such notice as mentioned above is given within 7 days of happening of such event, no claim for damage or compensation will be entertained on all parties.
14. The contractor shall submit the bills for payment along with detail statement showing the actual works carried out under different heads of items.
15. The contractor shall clear the site of works as per the instructions of the bank. The site of works shall be cleared of all men, materials etc. belonging to the contractor. The site should be delivered in a broom clean and neat condition, after completion of the days work by the contractor.
16. The contractor shall not without the written consent of the bank, assign the work or subcontract any portion of works.
17. The quoted rates shall be all inclusive and cover the cost of all materials, freight, all types of taxes, duties, royalties, erection, construction, testing of materials, samples brought for approval, overheads, profit & any other expenditure incurred for work as per specifications.
18. The final bill from the contractor shall not be entertained under any work found any circumstances without completion of all the items of works .any work found defective or wrongly carried out, and instructed by the bank to be rectified or replaced shall be rectified or replaced prior to submission of the final bill. It is to be expressly noted that no final bill will be held valid in the event of non - rectification of the defective or wrongly carried out items and completion date shall not this account be extended. Defects liability period will be effective from the day of satisfactory completion of all the items of work.
19. In the event of the work being executed day & night on holidays, which might be required for the completion of the work within the stipulated time, however utmost care to be taken for not to disturb to normal working of Branch.
20. While executing the work, considerable amount of shifting and re-shifting of several furniture like Tables, Chairs, Steel Cupboards, Filing Cabinets, Side Units, Safes etc. Grills, Door frames, Windows, Partitions & Glass etc. items are Likely to be involved. It is also likely that some of the items might be required to be temporarily shifted elsewhere in the premises on any other floors. These shall be done by the contractor, and no payment against these works shall be separately paid for by the Bank. As the work is to be carried out and completed in the working Bank Branch, the contractor shall be responsible for maintaining the premises in clean condition every morning.

21. The contractor shall acquaint himself with the site conditions, local traffic regulations, local authority regulations availability of materials, labor, tax, structure etc. and quote rate accordingly. No extra charges / increase in rates shall be allowed on any of these or any other accounts.
22. The contractor shall have a complete supervision on the site, at all the times.
23. The contractor and / or his authorized representative will attend all the meetings whenever called for and the decisions taken in the meeting will be binding on the contractor.
24. In case any Municipal Corporation / Local authorities approval is necessary then it shall be the contractors responsibility to get it approved and all expenses incurred there of shall be borne by them.
