<b>1.</b>	Page No.23 Clause 3 - Delivery Schedule  Delivery instructions would be issued before 31-03-2013.	Due to exchange rate fluctuation, it's very risky to take a long call on commercials. Hence request the bank to include a clause that if the exchange rate varies +/- 5% of what it is on the date of bid submission, the commercials would be revised to the same extent; OR we request the bank to limit the execution period up to a term of 3 months from the date of the order.  The delivery Instructions for the total quantities should be issued within 4 Weeks from the date of PO (As this is not a RC, the price & bid validity is only for 90 Days. Hence to keep the price validity for more than 180 Days & having inventory for 6 months will not be possible due to technology change and USD fluctuations)	Delivery instructions will be issued within four months from the date of purchase order.
<b>2.</b>	Page No.23 Clause 3 - Delivery Schedule  Delivery within 4 weeks for non-road permit locations.	1 week buffer as the m/c might require traveling to interior locations. Request for Delivery within 5 weeks for non-road permit locations.  Delivery Should be made within 6 Weeks from the date of delivery instructions issued by the bank and to be installed within 2 Weeks from the date of delivery.	Laptop to be delivered within 6 weeks from the date of delivery instruction, in respect of non-road permit locations.
<b>3.</b>	Page No.23 Clause 3 - Delivery Schedule  Delivery within 5 wks for road permit locations	At times road permit procurement is found to be time consuming.
