CHENNAI – 603 209.**

Regarding: Pre-bid Meeting held at Indian Bank, Zonal Office,
Kancheepuram on 20.06.2014

Seven prospective bidders participated in the pre-bid meeting. Some of them raised few queries in respect of Technical and the Price Bids, which were noted down by the Architect Consultants.

However, it was decided that, since most of the contractors who were present at the Pre-bid Meeting, did not have time to comprehensively study the bid documents, the contractors were given time up to 4.00 pm on 23.06.2014, to send in their queries regarding the Technical and the Price Bids by Email, to zokancheepuram@indianbank.co.in. The same shall be forwarded to Architect consultants for perusal and action by 4.00 pm on 24.06.2014. The recommendations made by the consultants regarding the queries shall be sent to Bank's Corporate Office immediately for their competent sanctions. The recommended amendments shall then be uploaded on the Bank's website, for the contractors, to download and quote accordingly for the job.
